*Couture Headpieces and Veils  
for Communion & Flowergirl*

Phone: 516 333-1591 • [www.anjasdream.com](http://www.anjasdream.com)

We are proud to introduce you to a Communion headpiece and veil collection specializing in custom, tailor-made designs. Anja's Dream is a division of Boutique de Voile, Inc., a creator of bridal veils and hair jewelry for couture bridal salons. Anja's Dream answers the demand of customers who want more variety in children's special occasion accessories. So very often, parents find the same Communion wreath and standard veil with no allowance for color, size or design. Yet, Anja's Dream makes products that are both made well and tailored to each child. With craftsmanship simply impossible to achieve in mass-produced pieces, we let the retailer and their customer become a creative participant. They may choose veil color, size, sewn-edge and optional adornments such as Swarovski crystals, pearls, tiny rhinestones or custom bows to match their dress — like the raw silk dresses that so many girls are wearing. For this reason, we have designed more headpieces comprised of diamond white and light ivory components with the option of attaching a matching veil. So whether your customer chooses a traditional white gown or a couture raw silk gown, we guarantee that they will exude an individual style with handmade accessories — and have the Communion they deserve.

There is never a minimum order and turn-around time is within 2 weeks (most of the time it's just days). Rush orders are accepted with no additional fee. Our product is proudly made in Westbury, New York — in the heart of Long Island. The first shipment of the season to our customers must be paid by credit card or C.O.D., thereafter, terms may be established.

Since 2001, it has been a pleasure to work with our retailers in both the bridal and Communion industry. We thank all of you for helping us grow with your loyal patronage and valuable comments. We enjoy the personal relationship we have with each of you. And, of course, we look forward to all future relationships with newcomers to the industry.

We are always CPSIA compliant
